Re No.2139482, Pte.A.L.Marshall,
2nd Depot Battalion, B.C.Regt.

Sir,

Referring to correspondence respecting the application for leave of absence without pay of No.2139482, Pte.A.L.Marshall, I have the honour to inform you that this case is receiving every consideration. I shall be obliged, however, if you will forward the following information, which is required before a decision can be arrived at :

1. The man's age.
2. Did he claim exemption?
3. If so, with what result.

I have the honour to be,
Sir,
Your obedient servant,

Major-General,
Deputy Minister,

Dear Sir:

P.S. 649-M-32569

Your letter of the 9th inst. in rather hard to answer because the Professor of Chemistry is out of the city and the application of Mr. Marshall for the post in Chemistry is filed with him and not in this office.

Mr. Marshall is within the age of twenty and twenty-three. He is now, so far as I know, in uniform in a training camp in British Columbia unless already drafted for overseas.

We are not asking exemption, but leave of absence without pay, so that the work of the university may not be crippled.

Yours very truly,

President's Secretary.

The visit to the College will probably take place in the latter part of May.

Will you please state for the information of the Honourable the Minister, if it will be convenient for you to attend.

Major General Sir Eugene Fiset,
Deputy Minister of Militia and Defence,
Ottawa.

My Dear General:

Will you kindly express to the Honourable the Minister of Militia and Defence my thanks for the honour he has done me in nominating me again to His excellency the Governor-General-in-Council as a member of the Board of Visitors to the Royal Military College for the ensuing year ? If I can be of any service to the College I shall be glad to accept the position. However, I have been unable to be present on the last two occasions because they were made at a date that was quite unsuitable for me. My engagements are usually made a long way ahead. If Monday, the 15th of May, is a convenient day I think I might attend a meeting of the Visitors at Kingston on my way to Ottawa, for that week I am to be at the Royal Society and Conference of the Universities of the Dominion in Ottawa.

Yours sincerely,

President.

Dear Sir:

As I have not heard from you since your letter a few weeks ago with regard to the meeting of the Board of Visitors of the Royal Military College, I assume that the meeting will take place at the Royal Military College on Monday morning, May 19th, at 9:30. Will you be kind enough to let me know how long in your judgment this meeting will last, as I wish to leave for Ottawa, if possible, that day ?

I am,

Yours sincerely,

President.
